

## Sequacity

Dear Members,

As my term as the Editor-in-Chief comes to an end, I would like to thank all the readers, authors, reviewers, editorial board members, advisors, and EC members for raising the bar of Prosthodontic Publications in The Journal of Indian Prosthodontic Society.

It has been a pleasure working with all of you and I appreciate the sincere efforts of the section editors and reviewers in bringing out the best articles to the fore.

We had our share of our hurdles in this journey and I thank the head office in general and Dr. Satish Babu, Dr. Rangarajan, Dr. Mahendranadh Reddy, and Dr. Suhasini Nagda in particular for extending their cooperation in overcoming these hurdles.

I would also like to acknowledge and thank the speakers and the organizers of the various reviewers' workshops held across the country.

A special note of thanks to some of the section editors for bringing in reviews and guest editorials from our international colleagues.

And of course my immense thanks to Novabone Putty, Dencare dental Lab, and Genesis implants for being the sponsors.

I take this opportunity to welcome Dr. Gopichander, Editor-in-Chief, and wish him all the best in this endeavor!!

Thank you once again!!

Gratitude!!
