We would also like to express our deep sense of gratitude to the management of the institution for their unstinted support & cooperation and for throwing open the doors of their reputed premises to the PG students & faculty of the entire country.

25th IPS PG Convention

The 25th Silver Jubilee IPS National P.G. Convention will be held at the Malla Reddy Institute of Dental Sciences, in the city of pearls, Hyderabad on the 2nd, 3rd, and 4th of June, 2023. We hope that it will be indeed an ecstatic occasion and a knowledgeable extravaganza with emphasis on scientific deliberations, workshops, and lectures by an array of International and National speakers. The organizing team comprising of Dr. B. Chittranjan as Organizing Chairman, Dr. D. Chalapathi Rao as Organizing Secretary, Dr. K. Satyendra Kumar as Treasurer, and Dr. P. Satheesh Simha Reddy, Scientific Chairman will work towards this goal.

The Journal of Indian Prosthodontic Society

Editor-in-chief Dr. V. Anand Kumar along with the new editorial team are continuing with the good work and plan for further improvements with regard to journal metrics and other aspects in future. Dr. V. Anand Kumar has expressed his intent to restructure and revise the existing list of reviewers to have the involvement of more active members and the new list of 200 reviewers is functional. The Journal Publishers office has been shifted from Delhi to Chennai. IPS regional branch journals are also striving for procurement of ISSN and D.O.I. Utilization of external agency for evaluation of statistical analysis for manuscripts being submitted to the journal is being carried out. A token amount as publication charges Rs 5000 for IPS Members, Rs 10,000 for Non-members and Dollars 200 for manuscripts being submitted by foreign authors is being charged for publication. Golden Jubilee Reviewer's meet 2022, a Reviewer's Workshop was organized in a flawless manner at Mrugavani Resort, Hyderabad On 16th and 17th of September 2022. The program was highly successful, very useful and the need of the hour in order to improve the standards of our national journal. For the training and development of our reviewers, who are the mouthpiece of our national journal, IPS has sponsored half of the total expense, an amount of approximately Rupees Five Lakhs. 50th IPS Conference proceedings are also planned to be published as a Supplementary copy in the National Journal, which shall include abstracts of scientific presentations, papers, and posters.

Indian Board of Prosthodontists

AGM for IBP was held online on 22nd May 2022. Dr. Sendhilnathan, as Secretary, IBP and Dr. Sabarinathan were inducted as new members of the board. As per feedback received from candidates appearing for the IBP examinations as well as those who have already passed the examination, the examination format HAS BEEN streamlined with a modification in the total number of clinical case submissions under different criteria. The candidate undergoing the part II examination currently needs to submit 2 clinical cases in each of the 4 categories, which amounts to a total of 8 case submissions. Part-I Examination (Summer) was conducted Online in April 2022 simultaneously at six centers throughout the country. Ten candidates appeared for the examination and three candidates have come out with flying colors. A workshop was also conducted on 31st July for candidates having passed the Part I examination to provide orientation for the Part II examination. The orientation program for Part-I Examination was held Online on 7th August 2022 along with the orientation program for Part II Examinations on 8th August 2022. This year, 9 candidates plan to appear for the Part-II Examination, planned to be held at IPS H.O. on 14th and 15th of October, 2022. The Part-I Examination has been planned to be held on November 6th, 2022.

Council of prosthodontic Research (CPR)

Dr. K. Mahendranadh Reddy, Chairman, CPR had conducted a series of meetings with Dr. Mahadev Shastri, Secretary, and CPR council members present in India and abroad. Final key points regarding how to streamline research grants and the format of applications are in the final stages of finalization. The whole idea of the board is to support original research. IPS Head office has promised financial aid to be given per year to deserving projects. Financial aid will be disbursed to those deserving research projects that will be approved and selected from the proposals expected to be submitted to the Council.

Treasurer's report

The mandatory filing of GST returns on monthly basis is being done on a regular basis with cooperation from most of the regional branches. Dr. K. Sanketh Reddy, the Treasurer, conducted three online orientation programs for all regional branch treasurers with all the office bearers of IPS regional branches for smooth coordination of various activities involving financial transactions. An app has also been launched in order to streamline the entire process of account submission with options of instantaneous; multiple uploads of bills, vouchers, and invoices. New student memberships are also now available online.

Community outreach programs

Various Community outreach programs were conducted throughout the country. In the month of January, the One Day Denture Camp was conducted by the Department of Prosthodontics, Government Dental College and Hospital, Ahmedabad, Gujarat. Complete dentures were delivered on the same day with all clinical steps. All the patients were also given Denture maintenance kits free of cost along with meals and refreshments. Mar Baselious Dental College, Kothamangalam, Kerala in association with IPS Kerala State Branch had completed its 1st phase of the IPS community outreach program on the 25th of February. The first phase delivered 25 dentures to the poor and needy of society. A few other Community outreach programs were also conducted in Karnataka. The guidelines regarding the funding of Community outreach programs and the format for the application form are finalized and will be circulated soon. The organization of community outreach programs is being done outside the confines of educational institutions and hospitals for better reach. At the same time, our programs are being planned in different remote locations for the benefit of a wider range of the population.

Continuing education programs

The most awaited IPS Masterclass Workshop 2.0 FMR (Full Mouth Rehabilitation) physical workshop was held on 16th & 17th April, 2022 at IPS Head office, Hyderabad. Dr. K. Mahendranadh Reddy & Dr. Chethan Hegde were the mentors for the program and participants from different parts of the country attended the same. A Clinical National Masterclass on Biofunctional Prosthetic System (BPS) was organized at the IPS Head office, Hyderabad on 23rd and 24th July 2022. It was a two-day intense training workshop including lectures, lab, and clinical demonstrations with live patients. Another 2-day intensive Master Clinician program on Maxillofacial Rehabilitation was conducted on the 8th and 9th October 2022 at IPS Head Office. For the first time on one platform, an Oculoplastic Surgeon and a Maxillofacial Prosthodontist together provided training on ocular prosthetics. Two days of an intensive training program with a Demonstration on Live Patient & Hands-On training session on models was planned and executed. For IPS students and life members, free registrations were also made available for the Ivoclar e. max Press summit 2022, Global Kols session online on 28th and 29th September, where nine international speakers shared their knowledge on pressable ceramics. The link for the free registration was sent to all the members requesting everyone to take advantage of this opportunity.

IPS Certificate course in Health professions education:

This Certificate course for dental educationists, an informative and very useful program was conceptualized and conducted by Dr Suhasini Nagda, Past President, IPS under the aegis of IPS (Academic excellence program). The first batch with total strength of 35 participants all over India was started under able leadership and excellent vision of Dr. Suhasini Nagda in 2021. The program is specifically designed for the dental educators having excellent nationally renowned faculties and spread over the span of 12 months with four modules followed by educational projects. The modules comprise of leadership, teaching and learning methodology, curriculum designing and implementation, assessment and all the participants having their own LMS. The ongoing competency-based learning management system “course” has been customized for the Indian Prosthodontic Society. 70 sessions have been conducted. 31 Educational research projects by the members enrolled for the program have been completed by the participants in their parent institutions and the implementations of these projects are underway. The ceremony of certification is planned at the 50th IPS Golden Jubilee conference. The next batch of participants for the certificate course will commence in January 2023.

Formation of New Committees –

Sub-committees (2021-22) were formed to involve all EC members and distribute the working structure and load of the Society. These committees have contributed to the efficient and result oriented functioning of the society. The formation of these committees helped in better communication of information and setting the strategic direction ensuring effective management of various programs. The following are the IPS Sub-committees for the year 2021-22 : 1. Public awareness committee. 2. Ethics and disciplinary committee. 3. Community outreach program. 4. Awards committee. 5. Continuing education council. 6. Finance and audit. 7. Website and IPS app development committee. 8. Student membership upgrade. 9. Regional branch liaison committee. 10. National student exchange programme. 11. Member benefit programs (Insurance). 12. IPS times. 13. Merchandising committee and 14. Constitution committee. All the committees have proposed policies and recommended actions under their jurisdictions, subject to final approval by Executive Council. All the members have been proactive and contributed to the purpose and objectives of their respective committees. The progress reports for all the committees were presented during E.C. meetings.

The continuous efforts of all the new sub-committees (2021-22) for the better functioning of society are highly appreciated. During this golden jubilee year of the Indian Prosthodontic

Society, it is planned to convert the membership status of all the postgraduate students to Life members. A target is 100% membership upgrade from Student Member to Life member during the present year has been set. A special membership drive with a target of 100% membership upgrade from Student Member to Life member during this golden jubilee year of the Indian Prosthodontic Society is being conducted. The efforts are also ongoing to revamp the website and templates have been prepared for various interphase. IPS app is being upgraded for better utilization and functioning. The recommendations and guidelines about the awards to be constituted under the banner of IPS have been finalized and circulated. Many progressive changes with upgradation are being planned and will be implemented in near future. The proposed affiliations, exchange programs, MOUs, and association with various international Prosthodontic societies are planned and we hope for some positive outcomes very soon.

IPS Indemnity Scheme

The IPS Indemnity Scheme has been continued in the current year also for IPS members, although many other associations/societies i.e. dermatology and preventive medicine had to discontinue the same. The renewal fee (750+ GST) is the same as last year with a 75% discount in base premium rates being offered directly (3400+ Tax). 111 people availed advantage of this opportunity last year, and most of them have continued their insurance in the current year also by paying the same premium. Emphasis on the wider promotion of the scheme has been put and many members are taking advantage of it. Updated renewal and new policy registrations under the IPS Indemnity Scheme are available on the website. Awareness about the scheme is being spread using promotional templates. 122 new policy registrations have been reported under the IPS Indemnity Scheme. To simplify the process of registration, the contact numbers of concerned insurance personnel have also been added to the concerned page on the website.

Regional branches

The office bearers of almost all the state branches have submitted the necessary documents about the AGMs and annual accounts. All the regional branch's office bearers were requested to conduct IPS Regional branch AGM on or before 15th May 2022 and to ensure that a copy of the AGM notice was forwarded to IPS Secretary. All the IPS regional Branch secretaries were also requested to forward details of various nominations received along with the supporting documents to the IPS Secretary and to make sure that the constitutional requirements were strictly fulfilled during the process of conducting the AGM and election of IPS regional branches

office bearers. Secretaries of regional branches were requested to submit, within two weeks of conducting the AGM, details of branch office bearers with photos, Mobile numbers, and Email addresses to the IPS Secretary and send the AGM report on or before 30th May 2022. All the regional branches have submitted the necessary documents for monthly and quarterly GST return submission except a few. Many state branches have organized state conferences and CDE programs. The first state conference of the IPS Odisha State branch was held on 14th August 2022 at Bhubaneswar. The state branch journals need to be indexed and standardized. All the state branch office bearers are requested to be proactive and coordinate for better outcomes.

IPS regional branch awards were announced and given by various state branches during the regional branch conferences for the first time. This will be an annual affair of all branches with an aim to enthuse the participation of branch members. A Medal & a Certificate was given to the winners. Golden Jubilee and Prosthodontists' Day Celebrations

President, Dr. V. Rangarajan announced 'promotion and enhancing public awareness about our specialty' as the theme for this landmark year when we complete 50 golden years of our Society. He encouraged regional branches and members to plan activities throughout the year. He again emphasized that it was also a golden opportunity for all regional branches to show solidarity and benefit members and society by conducting some new innovative programs. A specific logo highlighting 50 golden years of our establishment was made to be displayed during the Golden jubilee celebrations throughout the country. As a part of the celebrations and in tune with our effort to dedicate the golden jubilee year to enhance public awareness of our specialty, a quarter-page advertisement on our specialty appeared in the 'Times of India'

newspaper paper in all their editions across India, 25 Lakhs copies in circulation, on Prosthodontists Day, January 22nd. The general public could scan the QR code in the advertisement to locate Prosthodontist's clinics in their location. More than 1500 of our members enrolled in their clinics at www.ipsonline.info to make the best use of this golden opportunity for their clinic to appear in the IPS list of clinics. All enrolled members were sent by post Clinic Enrolment Certificates, Posters, and Car Stickers. 20-second audio advertisements were broadcast on FM Radio Mirchi in 10 cities across the country for 2 days (nine times/day) – on the 24th and 27th of January. Our members circulated both these widely amongst their general friends/contacts on social media. Various programs were organized in order to commemorate Prosthodontists Day to go amongst the public and sensitize them about our specialty. Activities and programs were planned involving the general public highlighting the idea of specialty (Prosthodontics and Prosthodontist) promotion. Nationwide social and print media campaigns were conducted. All the help including financial aid for deserving plans/programs was provided to all the members and state branch office bearers.

Smile Walk programs, with the splendid efforts of IPS Head office bearers, were concluded in a flawless way at various locations throughout the country i.e. Puducherry, Hyderabad, Gujarat, Chhattisgarh, Vijayawada, Chandigarh, Nagpur, Mumbai, and Bangalore. During the coming weeks, programs are scheduled at Mangalore, West Bengal, and Kerala. T-shirts for members and the general public were dispatched from the IPS head office. We plan to continue conducting such programs of public awareness as a part of the Golden Jubilee celebrations in some form or the other.

Dental Technician as IPS 'Affiliate Member'

Certified Dental Technicians have been included as affiliate life members of IPS on the application.

IPS Suraksha – A Social security scheme for IPS members

A social security scheme for all IPS members in case of casualties has been proposed. In the case of Casualty, Immediate disbursement is being planned as a goodwill gesture. 30 Lakh seed money from IPS has been proposed for the same. The scheme will function under the aegis of IPS and a Board will be constituted with President, Secretary, Treasurer, Joint Secretary, 3

members being nominated by E.C., an attorney, and a Chartered accountant. IPS members joining the scheme will be greatly benefited from the proposed scheme. The scheme will be launched during the 50th IPS conference as a part of our Golden Jubilee celebrations.

Institution of Gary Goldstein IPS Best Teacher Award

The Executive Council of the Indian Prosthodontic Society has introduced the 'Dr. Gary Goldstein award' instituted by Dr. Shankar Iyer this year. This will recognize one teacher of our specialty, annually, who has contributed and dedicated their lifetime to this profession and specialty, thereby influencing and benefitting a large number of students. Dr. Shankar Iyer has donated 15 lakh rupees for this noble initiative. The award will comprise of a plaque, citation, and Rs. 50,000 (fifty thousand) for the awardee.
