

# Prosthodontics India

Issue 1 November-December 2018

The official news bulletin of the Indian Prosthodontic Society

## 46<sup>th</sup> Indian Prosthodontic Society National Conference - Mangalore 15<sup>th</sup> -18<sup>th</sup> November, 2018

The 46<sup>th</sup> Indian Prosthodontic Society National Conference held in Mangaluru from 15<sup>th</sup> to 18<sup>th</sup> November, 2018 witnessed a gathering of over 2300 delegates and an overwhelming number of scientific deliberations – 359 Student papers, 172 General papers, 286 posters, 110 Table clinics and 31 Quiz entries, from across the length and breadth of the country, interspersed with 12 eminent International guest speakers and 42 National speakers of repute – sharing a common platform for exchange of ideas and experiences, with the ultimate aim to provide better restorative care to our patients and the society at large. The Inaugural function held on 16<sup>th</sup> November, 2018 at the Father Muller Convention Centre, was graced by the august presence of Dr. S. Sacchidanand, Vice-Chancellor, Rajiv Gandhi University of Health Sciences, as the Chief Guest. He stressed on the

need for an interdisciplinary approach in treatment planning and encouraged the prosthodontic fraternity to take steps in order to make Implant-based restorative care available to all.

Dr. Chethan Hegde, Organising Chairperson of the 46<sup>th</sup> IPS Conference, delivered the welcome address. The IPS Secretary, Dr. Rangarajan briefed the concourse about the past year's events, which was followed by the Presidential address delivered by IPS President, Dr. Kashinath. The function culminated with the felicitation of Dr. N. Sridhar Shetty and Dr. S.Ramananda Shetty ( former Vice-chancellor of RGUHS and Nitte University) - stalwarts and great teachers in the field of Prosthodontics, as well as the proud recognition of the effort and contribution of Dr. Y. Bharath Shetty and Dr. Jayakar Shetty. The evening came to a close with the Vote of Thanks proposed by the Organising Secretary, Dr. Manoj Shetty. Prof Dr Mahendranadh reddy delivered the prestigious Dr. B C Shroff oration on "Redefining Precision which was widely appreciated by all . This was followed by a sumptuous presidential welcome dinner .The Indian Board of prosthodontics graduation ceremony was also held during the conference where the 2<sup>nd</sup> batch of graduates were given their graduation certificates by the Board Chairman Prof Dr T V Padmanabhan . The Candidates who passed the part one exams were also felicitated . The candidates who successfully completed the JPS – IPS scholarship program was felicitated by Prof Dr Hosokawa Ryuji .The banquet at the City Beach house was nothing short of scintillating exemplifying the Mangalore hospitality The Conference concluded with the Valedictory Function held on 18<sup>th</sup> November. The IPS Head Office commemorated the efforts of the organizing Committee and presented awards to the best scientific presentations in all categories. The outgoing IPS President, Dr. Kashinath and the IPS Secretary cum treasurer , Dr. Rangarajan were felicitated by the Head Office as well as the regional Karnataka branch, Dr. V Rangarajan was accorded a standing ovation by the capacity crowd with every one lauding accolades on him for the tremors work and effort he had put in during his term in office as the Hon secretary cum treasurer of the Indian Prosthodontic Society . The president IPS Dr Ravi Savadi added that Dr. Rangarajan has scaled different heights all together and congratulated him and thanked him on behalf of all present . Dr. Rangarajan in a very emotional charged speech thanked every one for all the support rendered him during his tenure and making it a very memorable one for him . The new office bearers also took office during the course of valedictory function , Dr Rupesh P L took over as the Hon Secretary , Dr Hari Jangala as the Joint secretary Dr. Manesh Lahori as the 1st Vice President , Dr Ramesh A S as the 2<sup>nd</sup> Vice president , Dr Gopi Chandar as the Editor and Dr. George John as the Treasurer . The newly elected Executive Counsel members also assumed office . The organizing committee of the 47<sup>th</sup> IPS Conference was felicitated by the IPS head office and the conference concluded with pleasant memories of an outstanding organizational feat with a promise to meet for the next one at Raipur Chhattisgarh in 2019

 6-3-680/2, Punjagutta, Hyderabad

## YOUR PRESIDENT SPEAKS.

Season's Greetings to all the Honorable members. I feel proud, privileged, excited and much more, as I write down a message upon the release of the quarterly newsletter of the IPS, as the President of the Indian Prosthodontic Society. We have been given a legacy and I fervently wish to take the legacy to a higher level. The Indian Prosthodontic Society is one of the most Prestigious Specialty bodies of the country. We have had wonderful Prosthodontists leading the society from its inception right from the beginning. Legends All.

With due respects to all the past Presidents and Secretaries of IPS, I must once again compliment the outstanding commitment and effort put in by Prof. Dr. Rangarajan in his 12 years as Hon. Secretary. During his tenure and under the collective leadership of various presidents, IPS has reached a different high altogether. The different heights can be due to the streamlining of the Office records, the tax work, the tax exemption, the near paperless office, the website, the App, or the innumerable innovative programs.

It may be the exchange program with the Japanese Prosthodontic Society, our own Prestigious Indian Board of Prosthodontics, our own Council for Prosthodontic Research or even starting of the Regional branches, IPS has always been Peerless. The JIPS, our other Flagship is doing as good as ever and improving with every issue. Promotional video has been well appreciated across Specialties and I myself have forwarded the videos to key office bearers of other specialties upon their request. We may soon see more such videos from them too.

Another little step you would have noticed would be the minimal conference fees. The Fees charged for our conferences is just to cover the hospitality charges for each delegate. The abysmally low delegate fees for the Annual conferences and for the PG conventions, with no compromise what so ever on the quality of the Conference, not only ensures a good turnout at our conferences, but also ensures that IPS is always at the moment. Making changes as required at that point of time. We now have a complete change in the head office. Once again a criteria laid down in our constitution, not to have more than two terms for each Secretary. Apart from me taking over as President, we have Prof. Dr. Rupesh taking over as the new Hon. Secretary. He has already shown that he is ready for the job by ensuring a smooth transfer of office, under the guidance of Prof. Rangarajan. For the first time in the history of IPS, we have Joint Secretary and Treasurer. Prof. Dr. Jangala Hari and Prof. Dr. George John, have taken over the respective positions. Both are hardworking and positive minded and have already served the IPS as EC members for many years. Prof. Dr. Gopi Chander, as expected has been awarded a second term as Editor-in-Chief of our JIPS, unanimously, for the wonderful work that he has been doing. We have a wonderful EC with a mix of wisdom and enthusiasm and raring to go. I look forwards to working with you.

For this year, we are looking at continuing and maintaining the amazing work done by the earlier team. We will be recognizing senior members, who have been working quietly, without expectations from IPS, and most importantly, not been felicitated by IPS. The program is already worked out and our office will be reaching out to the Regional Branches for the same. For the first time ever, we are having a Prosthodontic Premier cricket league tournament in Chennai in January.

Regional branches are the route for the head office programs to reach out at the grass root level. I must compliment our regional branches for already showing that they are ready for more, in terms of Continuing education and for community outreach programs. More Regional branches are due to be installed during this year. We look forwards to the same. A few more programs are lined up, which will be brought forth soon. Adapting the adages, " Think Globally, act locally " and " Ask not what your country does for you but ask what you can do for your country " , we do look forwards to active support and cooperation from you for the upcoming Prosthodontist's Day on Jan 22<sup>nd</sup>, 2019 and all our other activities. We also look forwards to continued and proactive support from all our members.

Wishing you a great year ahead !!!!

DR RAVI SAVADI

## REMEMBER THIS DATE !!!

JANUARY 22<sup>ND</sup> 2019 is ASIAN PROSTHODONTIC DAY

Come , lets all together Celebrate in a Big Way

## IPS COMMUNITY OUTREACH PROGRAMS

**TANJORE DENTURE CAMP BY IPS TAMIL NADU STATE BRANCH** -The Indian Prosthodontic Society – Tamil Nadu State Branch made all heads turn by successfully conducting a Denture Camp at Tanjore on the 8<sup>th</sup> and 9<sup>th</sup> December. The Denture Camp was held on December 8<sup>th</sup> and 9<sup>th</sup>, 2018 at Little Scholars Mat. Hr. Sec. School, Tanjore. The camp was organized by the combined efforts of the IPS – TN State Branch and the Rotary Club South, Tanjore. The main objective of this camp was to cater the needs of completely edentulous patients whose economic status did not permit them to undergo treatment elsewhere. The camp also drew the attention of the public and created awareness about the speciality of Prosthodontics. 5 colleges from all over Tamil Nadu were given the prestigious opportunity to participate in this denture camp. The participating colleges were Tagore Dental College and Hospital, Chettinad Dental College, Thai Mookambikai Dental College and Hospital, Vinayaka Missions Institute of Dental Sciences and Raja Muthiah Dental College, Annamalai University. The camp was coordinated throughout the state by Dr. Anand Kumar V, Head of the Department of Prosthodontics, Sri Ramachandra Dental College who made prior visits to see to that everything was organized properly and the venue was locally coordinated by Dr. Sathish, member of the Rotary Club of Tanjore. A total of 104 patients were benefitted from this camp. The camp began at 08:30 am on December 8<sup>th</sup>, 2018 with the master impression of the completely edentulous patients. It concluded at 01:30 pm on December 9<sup>th</sup>, 2018 with the insertion of the complete dentures in all the 104 patients. All the participants worked vigorously through the night to deliver the complete dentures for the patients. The camp was meticulously planned for the past several months by both the IPS – TN State Branch and the Rotary Club and was well executed on both days. It was successfully completed by the tireless efforts of the 16 attending PG staffs, among which 3 were Heads of the Department of Prosthodontics at Vinayaka Missions Institute of Dental Sciences, Tagore Dental College and Chettinad Dental College and the participating UG and PG students and technicians. The transportation and the consumables for all the participants were sponsored by the IPS TN Branch. The accommodation, food, transportation of the patients and the venue arrangements were taken care of by the local Rotary Club. The entire event was systematically executed by the efforts of Dr. Venkatakrishnan, Secretary - IPS TN State Branch and Dr. Jayashree Mohan, President – IPS TN State Branch. With the support of Dr. V. Rangarajan, Dr. T. V. Padmanabhan and Dr. Sanketh Reddy, Treasurer - IPS TN Branch.

### Arker , Raichur ,community outreach program

The Department of prosthodontics AME 's Dental College , Raichur conducted a community outreach program at Arker village , Raichur district on the 10<sup>th</sup> to 12<sup>th</sup> of December 2018 .The village is located in Devadurga thaluk of Raichur district in Karnataka It has self limited medical and dental facilities .A total of 34 Patients were treated out of which 16 were complete dentures ,5 single dentures and 13 partial dentures The camp was presided over by the local authorities and all the staff members of the department of prosthodontics AME s dental College . All the dentures were delivered to the patients at the end of the camp in an impressive function in the presence of the chief guest. This camp has generated a lot of interest and has served to create awareness of the speciality among the local public. Dr Sunil Dhaded was the chief coordinator of the event .
