SAMPARK – THE PRESIDENTIAL VISIT TO IPS BRANCHES

SAMPARK 2020, The official visit of the IPS President DR J R Patel to all the regional branches was a grand success. This whole process was undertaken between the 1st and 18th of October. A presidential delegation comprising of the Secretary, Treasurer, Joint secretary, Vice presidents, editor and EC members visited all the IPS State and Regional branches and interacted with the members. The interactions ranged from discussing various branch activities, branch accounts and related concerns and open forum discussions where members were to interact with the President and secretary with regards to any issues or branch development ideas were brought forward. Each of these visits to the 19 branches was very fruitful. The IPS President and EC thank all the branches and its members for a very successful and gratifying SAMPARK 2020.
